

NIMART and Mentoring Update

28 July 2011

Key Messages

- Please assist with mentoring as much as possible
- Partners must let RTC know who will be mentoring in which facilities and when for coordination purposes (RTC is responsible for ensuring each nurse is mentored)
- RTC to be informed of all trainings to take place
- When assisting with Training of Mentors, please ensure selection criteria and Training of Mentors curriculum are adhered to – incorrect participants are a waste of valuable funds
